CONTRACT

SOLAS  
WOOD SERIES

**W**hen Chromcraft created the SOLAS Wood Series, it redefined comfort! Superior comfort and support combined with a tapered, modern wood design define these chairs.

**X391 140 AM**  
*Executive Chair*

# SOLAS FEATURES

• Soft Back and Seat are ergonomically contoured for proper support and additional comfort

• Urethane Arms with wood inserts built over a structural steel frame

• Wood inserts are constructed from the finest woods - polished to a superior finish

• Curved shaped Arms are connected underneath by a round steel tubing support stretcher. This connection adds durability and uniqueness in design.

**X393 140 AM**  
*Management Chair*

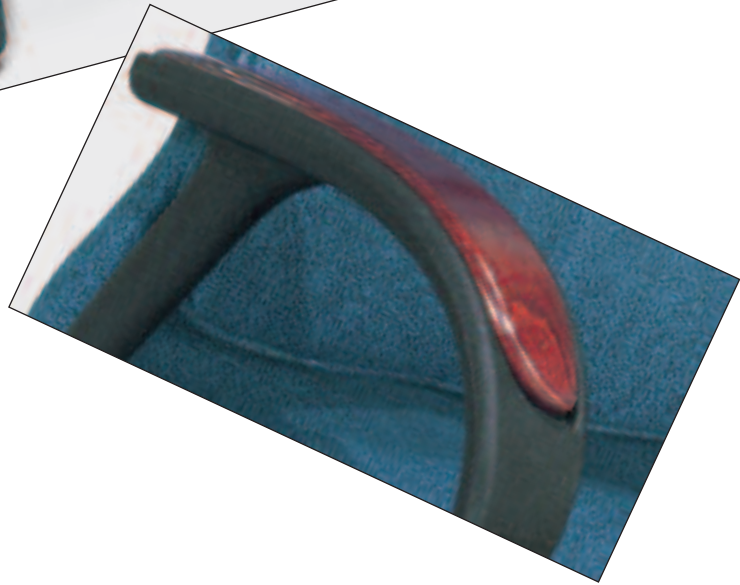

• Dual Wheel Casters

# GUEST CHAIR FEATURES

- All steel frame
- Front legs and arms constructed from flat oval tubing for a unique appeal
- Rear legs feature curved round tubing for added design and extra support
- Arm Pads feature hardwood finished to a rich fullness from a multi-step process of stains, sealers and lacquers
- Inner seat and back cushion have added foam and fiber filling for additional comfort
- An attached roll over back cushion adds to the distinctive style
